Dear Mr. Furman:

Canseco for Congress (C00394353) received the Federal Election Commission's request for additional information, dated October 5, 2012, regarding the committee's 2012 July Quarterly Report.

Regarding contributions from Balthrope, William D - a refund of \$2,500.00 was issued on 01/27/12 and reported correctly on Line 20(a) for the 2012 April Quarterly Report, page 181 of the original filing. Thus, Mr. Balthrope has not made an excessive contribution.

Regarding contributions from the Dealers Election Action Committee, NADA - an amendment to the 2011 July Quarterly Report was filed on 10/05/12 correcting the election designation of the 06/28/11 contribution from Primary 2012 to General 2010 Debt Retirement as was designated on the contribution. Thus, the Dealers Election Action Committee, NADA has not made an excessive contribution.

Regarding the contribution from the El Paso Association of Builders (Build PAC of El Paso), the Canseco for Congress Committee can confirm that the contributions from unregistered organizations were made from permissible sources and the amounts contributed to the Canseco for Congress Committee do not exceed the \$1000 aggregate amount that an unregistered organization can make.

Sincerely,

Randy Blair, Treasurer Canseco for Congress
